This year, we will be emailing a Primary Classroom Newsletter and an P1 Notes each month. The newsletter will have brief articles on different components of Montessori philosophy, descriptions of the classroom and activities as well as photos of the children.

## Communication

There are several ways to communicate with your child's teachers. You are always welcome to send an email and we will respond after regular school hours.

If you have a question or communication for your child's teachers (i.e, scheduling a birthday, going on vacation, absence or tardiness due to a doctor or dentist appointment, etc.). Please send an email or let us know via the ProCare app. If you would like a phone call to discuss any issue, question or concern you may have, please let us know via email or you may leave a message with administration at the front desk. We will hold Parent Teacher Conferences twice each year. This year, families have the option to meet in person or virtually via Zoom.
